Maryland Energy Administration Summer Intern Program

Join the Maryland Energy Administration as we transform energy for the State of Maryland. Through the Strategic Energy Investment Fund and the Maryland Renewable Energy Portfolio Standard (RPS), you will have an opportunity to work on the cutting edge of shaping and implementing Maryland's clean energy policies. We are looking for the best and the brightest interns to join the team that is quickly making Maryland one of the nation's leaders in Clean Energy.

Positions: Clean Energy Interns

Responsibilities: We are looking for several summer interns to provide program support with Maryland Energy Administration clean energy initiatives. We need assistance with a variety of renewable and efficient energy research projects such as Solar PV technologies, Geothermal/Bio and Solar Thermal, Offshore Wind Development, Sustainable Energy Contracting and Finance, Better Buildings Challenge Program,. Additionally, we are seeking assistance in the fields of IT, Marketing/Communications and Video. All internships will require research, analysis, report development and solid organization.

You will have the opportunity to learn and understand State and Federal energy programs, policies and processes as they are developed.

Qualifications: Successful applicants will ideally be pursuing a degree in environmental policy or engineering or other related curriculums and should possess:

- Analytical acumen
- Experience in, and command of, MS Office products (database experience is a plus)
- Professional demeanor and communication skills
- Interdisciplinary skill set and ability to meet deadlines
- Willingness to learn and become a part of a team
- Passion for energy, policy, sustainability, economic development and the environment

To Apply: Please send a cover letter and resume by email, with "Clean Energy Intern" in the subject line to MEAjobs@energy.state.md.us. Qualified candidates will receive notification of receipt and only the top candidates will be invited to interview for the position.
